

Reunion Graham Lockwood - Ken Fox and friends

Blast from the past

Aubrey Cake at the Blackies Jazz nights, Museum at the Palais, the world famous Rawlins Big Band, and anybody else who would have us – remember? Then you must be at least 45 and more likely to be 60.

Graham is back from Aussie, Fox has dragged his drums out of storage and we are having a free and easy jam session – jazz, pops, blues at the White Horse include Dave Collinson, Adrian Burns, Willy Watts and whichever disreputable musicians turn up.

Sunday night 19th March 8.30 till close.

No charge – would we dare!

Come and join us but be prepared for anything.
